Chandler Associates Municipal Cooperation Award

The Chandler Associates Municipal Cooperation Award has been established by the Pennsylvania Fire & Emergency Services Institute and Chandler Associates to honor a municipality that best exemplifies the spirit of cooperation between local government and emergency service entities. Local governments who support and recognize the value of fire companies, rescue squads and/or ambulance services in their community may be nominated.

Any individual or organization may nominate a local government for this special award by submitting the attached application to:

PFESI
223 State Street
Harrisburg, PA 17101
pfesi@verizon.net

All applications must be submitted by October 21, 2011. The Institute's Board of Directors will review the applications and make the final selection. The award will be presented annually during the Pennsylvania Fire & Emergency Services Dinner.
